Hall of Fame 21st Annual Inductee Dinner

Over 550 softball fans attended the 21st annual inductee dinner to celebrate the 2016 inductee class. It was another wonderful event celebrating this great game and the people who have helped to make it great! The Hall of Fame would like to thank everyone who helped out our annual dinner and to all of those who attended. No date has been set for inductee dinner next year.

Inductee day is Saturday July 22, 2017 10:00 am at Forest Park, IL.

The HOF is Looking for 16 inch Softball Memorabilia

A very nice patch was donated to the HOF. If you have any items that you would like us to consider for display please share by contacting Rachel Entler at Forest Park or drop off on a Saturday afternoon at the museum.

The Review's No Gloves section was the clincher

It's shiny, it's gold, and it's heavy. Like the Oscar, it's heavier than it looks. It's a golden replica of an Official Clincher 16-inch softball.

The base bears these words: "Forest Park Review 2016 Media Award." It was presented at the 21st Annual 16-inch Softball Hall of Fame Inductee Awards Dinner on April 1 at the Drury Lane Theater.

The award means the world to me and the Review staff, who work so hard on the special section for the No Gloves Tournament every year. It was my job to accept the trophy and give a brief speech. With so many recipients marching to the podium to thank - well, they had many people to thank - it did feel a little like the Oscars.

Presidents Notes:

Ronald Kubicki Visits Washington D.C. for the Annual "Congressional Fire Service Institute.

by Ron Kubicki

On April 4 through April 7th, I was in Washington D.C. for the Annual "Congressional Fire Service Institute". One of my many side jobs is to lobby Congress and State legislators on behalf of the IL Fire Service. During my visit I took some time out to speak with our two United States Senators, Richard Durbin and Tammy Duckworth about the Chicago 16 inch Softball Hall of Fame. After each visit I presented each of them a little token from the Hall of Fame. Both Senators were very pleased to find out that we have a 16 inch Softball Hall of Fame and that we also have a museum. Both indicated to me that sometime in the near future when their schedule would allow them, they would like to stop by for a visit. Before leaving I had a discussion with one of Senator Duckworth's

aids, (Josie Villanueva Legislative Assistant) she informed me that they have a grant researcher and a grant writer in their Chicago office and ask me to get in touch with them to see if there is any grants out there that might help the Hall of Fame. I will be making contact with the Senators office very soon. Overall it was a very good meeting with both. I also dropped off some information with Congressman Mike Quigley from the 5th congressional district. As you might know Congressman Quigley has played and still plays 16 inch softball. My hope is that with these meetings we might be opening some new revenue avenues.

U.S. Senator Richard Durbin

U.S. Senator Tammy Duckworth
