Back in September president Ronald Kubicki started making visits to local Jr High Schools to see if there would be any interest in sending their 7th and 8th grade boys' and girls' softball teams to visit the Chicago 16-inch Softball Hall of Fame Museum and Inductee Park.

On Wednesday October 5th, Highlands Jr. High School became the first, in what we hope will be a long line of visitors to the HOF. Thirty players and coaches took a 45 minute bus ride from La Grange, IL to Forest Park hoping that this experience would help them better understand the game of softball.

Highlands's girls and boys play 14-inch softball in the West Suburban Jr. High School Conference which is made up of 8 other Jr Highs. Members of the conference included, Gurrie Jr. High, Willow Springs School, Westchester Middle School, Park Jr. High, George Washington Middle School,
Pleasantdale School, McClure Jr High and Forest Park School. All of these schools play no-glove 16-inch in gym; but for conference play they decided to go with a 14-inch glove league. The boys play in the fall and the girls play in the spring.

With the help of 5 other Hall of Famers; Kubicki gave them a tour of the museum, inductee park and in lighted them with the history, and the importance that softball has played in and around Chicago since 1887.

After their one hour visit each player and coach were given a signed autograph from the attending 5 HOF members, and poster from the museum. From the smiles on their faces and the questions that were ask a good time was had by all. A big thank you goes out to Frank Lentine, Austin Ware, Pat McGurie, Ray Toppss and John Doss; who time and time again, take time out of their schedules to help with this programs.

Kubicki has already been contact by two more schools from this conference to visits the HOF in the next few weeks. Our goal is to reach out to as many Jr. High Schools as we can to get them to join in on the fun and education of this exciting new HOF program.
Hall of Fame Dinner Is April 1, 2017
